9.	The projects/ exercise enable to develop the experimental design, problem solving and analytical skills	5
10.	Suggestions, if Any	All the PPT teaches by faculty should be available for students on demand. I have asked the same in last semester and demanding same in this second semester too. Please arrange PPT of every subject, because as I am working professional so it's hard to learn or read PDF thoroughly rather than getting relevant information through PPT's of faculty.

Thank you for your valuable feedback.
